

FREE COVENANT REFORMED CHURCH

THIS IS THE LORD'S DAY October 26, 2025

Worship service at

309 Northern Dr NW, Grand Rapids, MI 49534

We welcome all visitors today and pray that you hear Jesus Christ and him crucified (1 Cor. 2:2)

ANNOUNCEMENTS:

- Dear Fellow Saints,
Mindy had a CT scan this past Monday. According to the oncologist's reading of the radiologist's report, Dr. Van reported no sign of the rectal tumor or thickening of the surrounding wall area. This means the radiation worked as it should have. Despite this good news, there is still a lymph node of concern in the rectal area. As far as the lungs go, the 3 spots previously seen in the July scan have all grown since that time. In addition, there is a new lymph node of concern in the lung area. Dr. Van will bring our case to the tumor board on November 6 for consultation and recommendation and we will meet with him the same day. As we go forward into the unknown, we covet your prayers, seeking God's grace for each day, wisdom and patience as we wait upon His perfect will for us. *"When thou passest through the waters, I will be with thee; and through the rivers, they shall not overflow thee: when thou walkest through the fire, thou shalt not be burned; neither shall the flame kindle upon thee."* Is 43:2
